Hi,

My name is Jérémie Galan, and I'm the head of a production company specializing in narrative TV shows here in France and have been a friend of Yann for more than 20 years. Yann, and his wife Angie, told me about Dennis and the project of creating a TV series or maybe a movie inspired by the life of Denis Mckee. From what I've heard from Yann, Dennis has had an extraordinary life, and it's certainly good TV content material. For years Yann and I have wanted to find a project to work on together, and I'm sure that this is the one.

We're very excited here to begin to work on what I think will be a fantastic project and I'll be more than happy to meet you all in person on my next trip to the U.S.

Best regards,

--

Jérémie GALAN
